Dear *Jon,*

On behalf of the children, families, directors and staff of Tŷ Hafan, may I take this opportunity to thank you and Pendragon Fireworks for sharing your tenth anniversary with us, especially for the fantastic display that you put on for us all on Wednesday 28 October 2009 at the Hospice in Sully.

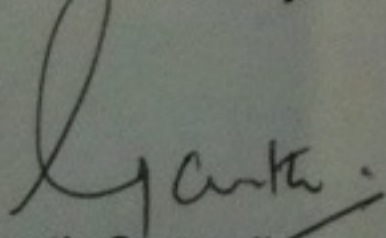

To say that the children and their mums and dads enjoyed the evening would be a real understatement. You will also have experienced first hand on the night, the excitement and enjoyment that you made possible for the rest of us. Thank you so much.

Thank you also for agreeing that I may pass on your details to my colleague Frank Ady who is responsible for our continuing contact with our corporate supporters. Frank will be in touch with you shortly.

We have passed on a press release and a short video of the night to all the newspapers of south Wales and hope that they will use them. If you would like a copy of the press release or any photos then please let me know and I will arrange this for you.

The very best of luck and all our good wishes for your busy time on November 5 and we hope that it all goes really well.

Yours sincerely
